

## Electronic Trading Platform Notice

Dear Prospective Client,

Thank you for your interest in Gforce4x! We appreciate your business and look forward to servicing your account. As you are aware, at Gforce4x, the Forex market is traded electronically. As a result there are several important electronic trading systems capabilities that we are required to inform you of prior to trading. Please review the following items carefully as they are important to your trading experience with this firm. If you have any questions or concerns about any of the aforementioned information please contact us immediately at: (312) 546-6285 or [sales@Gforce4x.com](mailto:sales@Gforce4x.com)

- 1) When you begin trading at Gforce4x you will be given a password to access your trading account. This password is designed to ensure the security of your transactions with our firm and will be given only to pre-authorized parties. You are responsible for maintaining the integrity of this password so please do not share it with anyone. However, in the event that this password information is available to someone other than the controller of your account, and you do not wish for that individual to access your account information, you are required to contact us immediately.

At this time, we will request specific information from you to verify that you are the account holder of record. After verification we will change your password as requested and authorize only the account holder of record to update account password information.

- 2) As you will be utilizing an electronic order system we are required to advise you of how to place orders if the trading platform is not available to you electronically. To place orders outside of our electronic trading platform you are required to contact us at our trade desk via telephone. Our trading desk can be reached at (312) 546-6286 24 hours a day Sunday after 5PM until Friday at 3PM US Central Standard Time. After calling you will be able to place orders manually through our trade desk.
- 3) At your request we are required to provide you with information regarding any trade you have placed with this firm. Much of this information is available to you online, however in certain instances; we recognize that customers may wish to view additional trade data. In addition to trade data, we are required, at request, to supply you with information regarding rollovers which occur daily in your account.

This trade information inquires must be made in writing via email or US mail only. Please be advised that depending on the time and date that your request is received we may need up to 24 hours to generate the information that you have requested.

Please direct E-mail requests to [newaccount@Gforce4x.com](mailto:newaccount@Gforce4x.com) and mail requests should be addressed to:

Hamilton Williams-Gforce4x  
Trade Information  
CBOT 141 W. Jackson St.
